

OUR MISSION

Our Mission is to unite **Pastors and Christian leaders of all races and backgrounds** to fight for the Constitution, our biblical heritage and values, and the American vision of “**one nation under God, indivisible with liberty and justice for all.**”

Since its inception hundreds of black, white, and Hispanic ministers from across the country have joined us, making MTS a visible testament to interracial and interdenominational unity. If you are a pastor or Christian leader, join us. Let's work together to save America.

We Speak Truth to Power – We are Pastors and Christian leaders who believe that the Word of God is true and the final authority in all matters of life, including politics and public policy. "For you shall know the truth and the truth shall make you free." John 8:32

We Defend Life – Over one million babies are slaughtered in the abortion industry every year. Planned Parenthood uses taxpayer dollars to destroy the most innocent among us. They have targeted poor and minority babies in keeping with the genocidal legacy of Planned Parenthood founder Margaret Sanger. We are demanding an end to all taxpayer funding of Planned Parenthood. Our ultimate goal is to end the curse of abortion.

We Defend True Marriage – The truth is that marriage was created by God as a sacred union between one man and one woman. No media, entertainer, industry,

executive order, legislation or court opinion can alter the definition of marriage. The true meaning of marriage cannot be changed, and any attempt to do so is rooted in rebellion against God.

We Protect God's Flock – When the so-called “gay rights” movement began to take shape thirty years ago, most Pastors ignored it. Now it is threatening Bible-believing Christians, their businesses, and livelihoods. It is time for clergy to decide whether they will be “good shepherds,” willing to lay down their lives for the sheep, or hirelings who flee into their sanctuaries and hide when danger threatens the flock.

Christians have lost jobs and businesses because they publicly espoused the view that marriage is a union between one man and one woman. **Kelvin Cochran**, former Chief of the Atlanta Fire Department, was fired for his commitment to God's definition of marriage.

Aaron and Melissa Klein of Portland, Oregon were fined \$135,000 for refusing to bake a wedding cake for the “wedding” of two homosexual men.

Duly-elected Rowan County Kentucky court clerk **Kim Davis** was thrown in jail, and her staff has been threatened with the same treatment for refusing to issue “same-sex marriage” licenses. This kind of judicial overreach and disregard of the First Amendment is a threat to every Christian in America.
